

THE FLU SEASON IS HERE!!!

It is time to get flu shots again and the VA has received the vaccines for veterans in the Rocky Mountain region. Most flu shots are being administered during primary, specialty, and mental health appointments, however most VA clinics are also providing the vaccine on a walk-in basis during designated times. Below are the details for obtaining a flu shot throughout the region. If you are obtaining the vaccine from a clinic which is not listed, be sure to contact the clinic for details as to when they are administering the vaccine to veterans. Veterans are advised to wear a short sleeve shirt.

Denver VA Medical Center – 1055 Clermont Street, Denver, CO 80220

Administering Vaccine during primary, specialty and mental health appointments.

Walk-ins - September 14th – November 25th
