VA Benefits Counselor to visit Western Slope Monday - Wednesday

A Veterans Benefits Administration representative will be on the Western Slope Monday – Wednesday.

The VBA representative will be able to assist veterans with such items as filing for a service connected disability, information on home loans, veterans' education programs, veterans' pensions, widows' pensions, vocational rehabilitation and other veterans' programs.

Her schedule is:

Monday

Glenwood Springs TeleHealth Clinic Monday, noon – 4 p.m. The clinic is located at 2425 S. Grand Avenue, also known as Old Grand.

Tuesday

Grand Junction Homeless Day Shelter, 8 a.m. – noon

Java Junction Coffee Shop across from the VA Medical Center, 1 – 5 p.m.

Grand Junction Homeward Bound Homeless Shelter on North Avenue, 6 – 9 p.m.

Wednesday

Montrose Veterans Community Based Outreach Clinic 8:30 a.m. – 4 p.m.

Due to the overwhelming turnout during her last visit to Montrose she will see Veterans by appointment rather than on a walk-in-basis this trip.

To schedule an appointment with her, please call the CBOC at 249-7791 between noon and 4 p.m.

NOTE: This is an in-person visit, not part of the TeleBenefits counseling now available at Montrose CBOC.
