Duke's Backstreet Poker Run to Benefit Paralyzed Veterans June 5, 2010

Denver, Colorado — The Mountain States Chapter of the Paralyzed Veterans of America (MSCPVA) is honored to participate in Duke's Backstreet Poker Run benefiting paralyzed veterans.

On June 5, 2010, MSCPVA will team up with Jeff Penick, owner of Duke's Backstreet Sports Tavern (Duke's) in Aurora, Colorado to host a local poker run. Over 100 riders are expected to begin at Duke's and ride to three stops around the southeast Denver metro area to collect their poker cards before returning to enjoy BBQ, live music, and prizes! Registration and breakfast begins at 8:30 a.m. at Duke's (1150 S. Galena Street, Denver, CO). The first bike will go out at 10 a.m. and the last bike at 11 a.m. Proceeds from the event will benefit paralyzed veterans living in the Rocky Mountain region.

MSCPVA spends thousands of hours helping members, fellow disabled veterans, and other persons with disability recover from the physical loss associated with spinal cord injury and disease through various social and recreational programs. Events such as Duke's Back Street Poker Run will allow MSCPVA to provide additional programs for its members.

"We truly appreciate Duke's Back Street Sports Tavern for hosting this poker run and all the riders who will be participating. As a fundraising event, this enables us to continue to assist our membership of paralyzed veterans."

James Sack – MSCPVA President/National Director (Navy, Vietnam Veteran)

MSCPVA is one of 34 nationally chartered chapters of the Paralyzed Veterans of America, a congressionally chartered veteran's service organization founded in 1946. PVA's mission is meeting the special needs of veterans with disabilities. PVA is an effective advocate for its members by pursuing: quality health care; research and education - addressing spinal cord dysfunction; benefits that have been earned by its members from their military service; promoting civil rights and other opportunities that maximize the independence of its members and all individuals with disabilities.
