Paralyzed Veterans to Benefit from 4th Annual All Patriots Poker Run Sept. 13, 2008

Denver, Colorado — The Mountain States Chapter of the Paralyzed Veterans of America (MSCPVA) is honored to participate in the 4th Annual All Patriots Poker Run, hosted by the Combat Veterans Motorcycle Association (CVMA), in honor of the 9-11 victims and their families.

On September 13, 2008, MSCPVA will team up with CVMA to put on this popular and fun local event. Over 100 riders will ride to four stops around the Denver metro area to collect their poker cards, and enjoy BBQ, live music, and prizes! Registration begins at 10:45 am at VFW Post 3971 (2190 S. Platte River Drive, Denver, CO). Proceeds from the event will benefit both combat and paralyzed veterans living in the Rocky Mtn. region.

MSCPVA spends thousands of hours helping members, fellow disabled veterans, and other persons with disability recover from the physical loss associated with spinal cord injury and disease through various social and recreational programs. The public is invited to attend this community event to learn more about the Paralyzed Veterans of America, and the programs and services provided to their members.

“We truly appreciate the people who support Combat Veterans as well as the Paralyzed Veterans of America. As a fundraising event, this enables us to assist our paralyzed veterans in the Rocky Mtn. region and also allows Combat Veterans to fulfill their mission of ‘veterans helping veterans’.”

James Sack – MSCPVA President/National Director (Navy, Vietnam Veteran)

MSCPVA is one of 34 nationally chartered chapters of the Paralyzed Veterans of America, a congressionally chartered veteran’s service organization founded in 1946. PVA’s mission is meeting the special needs of veterans with disabilities. PVA is an effective advocate for its members by pursuing: quality health care; research and education - addressing spinal cord dysfunction; benefits that have been earned by its members from their military service; promoting civil rights and other opportunities that maximize the independence of its members and all individuals with disabilities.
